

Constantine, MI COVID PRECAUTION PLAN

1. The pit area will be designated by orange snow fence.
2. Admittance to the pit area may require checking in at the pit entrance where temperatures shall be taken. A wrist band will be issued if the temperature falls below 100.4 and no other symptoms or illnesses exist. If temperatures need to be taken per state guidelines the following will occur:
 - a. A new wrist band of different color will be issued each morning of the event.
 - b. If any of the above ailments exist, we will not allow admittance into the pit area.
3. Erin Proctor (317) 777-1547 will be the liaison for any COVID related questions.
4. The Race Committee may require the use of masks in the pit area when social distancing cannot be met, at times when not with members of your immediate family, during registration and driver's meeting.
5. Hand sanitizer will be available at Registration, Inspection, and Restrooms. It is highly advised teams bring their own personal sanitizer as well.
6. Rescue, turn judge, and tow boat personnel will also be asked to maintain distancing as much as possible and continue good sanitizer use.
7. All the above requirements and conditions are subject to change dependent on the State of Michigan and St. Joseph County requirements at the time of the event.
8. PA announcements may be conducted throughout the duration of the event as reminders of mask and distancing guidelines.
9. This form along with any updates will be available on the Indiana Outboard website at www.indianaoutboard.org.
