Inboard

Inboard Endurance (beginning Nov. 1, 2018)

Professional Racing Outboard

Outboard Performance Craft Unlimited

Modified Outboard Stock Outboard

Section 12.2. Racing Commissions. In order to regulate the sport of power racing within the respective racing categories there shall be established the following:

Inboard Racing Commission

Inboard Endurance Racing Commission (beginning Nov. 1, 2018)

Professional Racing Outboard

Commission Modified Outboard Racing

Commission Stock Outboard Racing

Section 12.3. Racing Commission Authority. Each Racing Commission shall act as one common body in all matters involving discipline, new classes, appeals from rulings of race committees and referees, developing and maintaining rules for each class in their category, national championship selection and selection of officials for national championship events subject to its grant of authority.

Section 12.4. Racing Commissions and Category Chairmen. Any racing category that falls below 75 “active” APBA members will elect their chairman by simple popular vote of the “active” members. The chairman will then appoint the commissioners. For racing categories with 75 or more active members, each Racing Commission shall comprise 1 to 3 members from each APBA Region in which the racing category is “active”, as defined herein. Each commissioner shall be elected at the respective fall region meetings preceding the Annual Meeting of the Association. A category’s “active” status and the number of commissioners to be selected from a region shall be determined from the following chart:

CATEGORIES	Min. Number of Active Racing Members in Category	STATUS	Commission Members Elected per Region
INBOARD	Below 8	Inactive	0
	8 to 59	Active	1
	60 to 99	Active	2
	Over 99	Active	3
MODIFIED OUTBOARD	Below 8	Inactive	0
	8 to 35	Active	1
	36 to 60	Active	2

	Over 60	Active	3
OUTBOARD PERFORMANCE CRAFT	Below 2	Inactive	0
	2 to 25	Active	1
	26 to 50	Active	2
	Over 50	Active	3
PROFESSIONAL RACING OUTBOARD	Below 6	Inactive	0
	6 to 30	Active	1
	30 to 60	Active	2
	Over 60	Active	3
STOCK OUTBOARD	Below 10	Inactive	0
	10 to 49	Active	1
	50 to 99	Active	2
	Over 99	Active	3

A review of current membership will be conducted on an annual basis and thresholds in the above table adjusted accordingly so that elected commission size will range between 6-18 members. The activity threshold numbers shall be adjusted by making calculations using the previous year's membership numbers.

12.4.1. "Active" status. A category of racing shall be considered "active" within any particular region if it meets the minimum participation as set forth in the above chart for the region. For the purpose of determining a category's "active" status, the highest number of either racing memberships in that region or active participants in that region shall be used. Each region may elect commissioners only from such region's "active" categories.

12.4.2. Election of Commissioners. Membership on each Racing Commission shall be for a 1-year term. A member must reside in the region from which the member is to be elected a commissioner. APBA members residing in Canada are allowed to run for commissioner from the particular region to which they have been assigned by APBA Headquarters. All Racing and active Officiating members shall be entitled to vote for Commissioners from their Region. Each racing member shall be entitled to vote for commissioners in each category of membership. Referees, inspectors, and scorers shall be entitled to vote for commissioners in each category in which they are approved. Each individual who is entitled to vote in a given category commission election shall be entitled to one vote for each commission vacancy in that category. Any member may serve on only one Racing Commission at a time. A member is not required to be present at the region meeting in order to be elected, unless region rules require the same. Commissioners so elected are required to attend and take part in their commission meetings at the next following Annual Meeting of the Association. Failure to do so will constitute a "failure to serve" as used in 12.4.5 Vacancies and may result in immediate replacement.

12.4.3. Election of Category Chairmen. A Category Chairman shall be elected by the elected commissioners for each Racing Commission for a term of two (2) years,

which election shall be held no later than November 30. The previous Category Chair, if not an elected commissioner, shall be copied on all correspondence for nominations and voting.

12.4.4. Chairman's Appointment of At-Large Commissioners. In addition to the elected commissioners, any Category Chairman may appoint no more than 3 at-large commissioners. Additionally, the outgoing Category Chairman shall be appointed to the Commission for the year immediately following his term.

12.4.5. Vacancies. Should a commissioner relocate to another region, resign or fail to serve for any reason, the respective Category Chairman may appoint a replacement. The Racing Commissioners and Category Chairmen will continue to serve until their successors are duly elected and take office. In the event a commissioner also acts as a member of a race committee or as a referee, such commissioner may not vote on any appeal, protest or inquiry in connection with such event. A commissioner's failure to participate in two (2) consecutive meetings will constitute a failure to serve and may result in immediate replacement.

12.4.6. Racing Commission Meetings. The meetings of a Racing Commission shall be called by the Chairman of such Racing Commission as the Chairman may deem necessary. However, each Racing Commission shall hold an annual meeting in conjunction with the Annual Meeting of the Association. One-third (1/3) of the commission will constitute a quorum. All votes will be decided by a simple majority.

12.4.7. Meetings by Conference Telephone. The Racing Commissions may hold meetings by a conference telephone or similar communications equipment through which all persons participating in the meeting can hear each other. Participation in any meeting conducted in this fashion is deemed the equivalent of being present in person at the meeting. One-third (1/3) of the commission will constitute a quorum.

Section 12.5. DEPUTY COMMISSIONERS. The Category Chairman of each Racing Commission shall have the power to appoint Deputy Racing Commissioners to represent such Commission locally, to assist individual members, member clubs and local regatta committees and officials in racing matters. In such case the Deputy Racing Commissioner shall have the same power and authority to act in a local area as though he were a member of such Racing Commission and to act as such Commission's representative at regattas and time trials when no Commissioners are present. Deputy Racing Commissioners shall not be entitled to participate in a proceeding where action of the full Racing Commission is necessary. Deputy Commissioners shall not receive a vote in any Commission proceedings.

Section 12.6. COMMITTEES AND OFFICIALS. The Category Chairman of each Racing Commission shall have the power to appoint such committees pertaining to the regulation of racing within that Racing Commission's Category and such Racing Officials as and when it may be necessary, except those whose appointment is specifically assigned to other authority.

Section 12.7. RULE CHANGE PROCEDURE. For those categories that have not adopted other procedures for rule changes, the following shall be applicable,

12.7.1. Category Safety Rules shall be determined by the appropriate racing commission, **at or before the APBA Annual Meeting each year,** without going to ballot of the category members. A safety rule is defined as a rule to reduce the likelihood of injury or danger, as its primary purpose. All safety rules shall be reviewed by the Safety Committee. Rules become effective 30 days after publication in the Propeller Magazine and/or posted on the APBA website. In an emergency, after approval of the Safety Committee, a safety rule can become effective immediately, provided reasonable notice is given to all participants.

12.7.2. Technical and Racing rules shall be determined by the appropriate racing commission, at or before the APBA Annual Meeting each year, without going to ballot of the category members.

12.7.3. The Chairmen of the Racing Commissions shall mail to National Headquarters **within two weeks** all rule changes approved by their Commissions.

12.7.4. All rule changes will be effective 30 days from publication in Propeller magazine and/or posted on the APBA website.

12.7.5. Except when rules are changed or modified by the Board of Directors, rules may not be changed at any time or in any manner other than as specified above, except when obvious error is shown in the adoption or amendment of any rule or when, in the opinion of any Racing Commission, if **applied**, the good of the sport is at stake. In such events, the Racing Commission, if applicable, with approval of the Board of Directors, may change the rule. In the event that the rule change is finalized prior to May 1, the rule change shall take effect 30 days after being finalized. Such rule changes shall be published in the next issue of Propeller and on the APBA website. In the event that the rule is not finalized prior to May 1, the rule change shall take effect the November 1 following the approved change.

12.7.6. A rule with a specified freeze duration of up to three years may not be changed during its specified freeze period without the approval of the Board of Directors.

Section 12.8. JUNIOR CLASSES. The APBA Junior Classes shall be governed by a committee determined by the President with approval of the Board of Directors. The committee shall consist of a chairman appointed by the President and selections from the respective categories which have a common interest in developing the APBA Junior Classes.

Section 12.9. THUNDERCAT CLASSES. The APBA Thundercat classes shall be governed by a committee determined by the President with approval of the Board of Directors.

Section 12.10. OFFSHORE CLASSES. The APBA Offshore classes shall be governed by a committee determined by the President with approval of the Board of Directors.

ARTICLE XIII - TERM OF OFFICE

All Board of Directors members, officers, Category Chairmen, elected persons, appointed persons, commission members and committee members shall assume the responsibilities of their position as of November 1 of the respective year of their term.

ARTICLE XIV - APPEALS

Section 14.1. Jurisdiction: The American Power Boat Association National Commissioner may hear appeals from any determination made by APBA officials relating to penalties, technical questions, suspensions, termination of membership, or procedural questions.

Section 14.2. The National Commissioner shall be appointed by the APBA Board of Directors and shall serve until replaced, and shall be the final appellate authority within APBA.

Section 14.3. The National Commissioner may not consider any appeal until the member has exhausted all of the remedies available under the rules of the appropriate APBA category or administrative body.

- a) Any member may appeal any action that, in the member's opinion, violated an APBA rule or By Law by filing a written appeal with National Headquarters, along with a \$1000 filing fee.
- b) Any appeal under this section must be filed within thirty (30) days from the date upon which the member received notice of the action which he chooses to appeal.
- c) The appeal must state distinctly the action that the member desires to appeal, the date the member received notice of such action, the grounds for the appeal, and must specifically state the number and page of the appropriate Rule or Bylaw which the member he claims that was violated.
- d) Upon receipt of such appeal, APBA National Headquarters shall provide a copy to the National Commissioner for determination of the appeal and will distribute copies to the Board of Directors members, and responsible party whose action is being appealed, for informational purposes.
- e) The National Commissioner shall determine the validity of the appeal by either:
 - i) Determining that the appeal has no merit and dismissing same, or
 - ii) Determining the outcome of the appeal, based upon the material submitted by the appellant and others, or
 - iii) Appointing a hearing committee to determine the merits of the appeal. The National Commissioner shall establish the most appropriate procedure for the hearing, taking into consideration the geographic area and the issues involved, in a manner best suited to ascertain the relevant facts and merits of the parties' positions. The National Commissioner shall inform the parties of the procedure prior to the hearing. Members may appear in person at hearings but may not

participate through a representative or attorney. The hearing committee shall report their decision to the National Commissioner who shall notify the parties.

- iv) The National Commissioner may decide, in the interests of powerboat racing and/or the APBA, that any penalty under review be temporarily deferred until the appeal of the penalty has been resolved. The determination of the appeal may include upholding the appealed action, upholding the appeal, correcting, altering, amending, modifying the action, or granting any other appropriate relief, including the determination of an appropriate penalty.
- v) In the event the appeal is denied, the \$1000 filing fee may be retained by APBA. In the event the National Commissioner can determine there are mitigating circumstances, he/she has the right to determine whether or not the filing fee, or any part thereof, should be returned to the appellant. In the event that it is determined that the action being appealed was erroneous, the \$1000 filing fee will be returned to the appellant.

ARTICLE XV – DISCIPLINE

Any violation of this rule will be considered a breach of ethics, and may be subject to disciplinary action. The authorized emergency action may include disqualification for the event, ejection from the racing premises, fine, and/or suspension. Any suspension under this paragraph shall be for not longer than 30 days from the time of the incident. Examples of conduct warranting such emergency action include, but are not limited to, the consumption of alcoholic beverages in restricted areas during an event, the use of drugs, fighting, and reckless driving.

ARTICLE XIX - CONFLICT OF INTEREST POLICY

Section 19.1 Purpose

19.1.1 The purpose of this conflict of interest policy is to protect the APBA's interests when it is contemplating entering into a transaction, arrangement or decision that might benefit the private interests of an officer, director or employee of the APBA or might result in a possible excess benefit transaction.

19.1.2 This policy is intended to supplement, but not replace, any applicable state and federal law governing conflicts of interest applicable to nonprofit organizations.

19.1.3 This policy is also intended to identify "independent" directors.

Section 19.2 Definitions

19.2.1 Interested person - Any director, officer, or member of a committee, who has a direct or indirect financial interest, as defined below, is an interested person.

19.2.2 Financial interest - A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership, investment or employment interest in any entity with which the APBA has a transaction or arrangement,
- b. A compensation arrangement with APBA or with any entity or individual with which APBA has a transaction or arrangement,
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which APBA is negotiating a transaction or arrangement, or

- e. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

19.2.3 Independent Director/Officer -- A director or officer shall be considered "independent" for the purposes of this policy if the Director or officer:

- a. is not, and has not been for a period of at least three years, an employee of APBA or any entity in which APBA has a financial interest;

Section 19.3 Procedures

19.3.3 Determining Whether a Conflict of Interest Exists - After disclosure of the financial interest and all material facts, and after any discussion with the interested

person, he/she shall leave the Board or Committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or Committee members shall decide if a conflict of interest exists.

19.3.4 Procedures for Addressing the Conflict of Interest
