**IN-PERSON ANNUAL MEETING: CANCELLED**

**2021 Annual Meeting**– After much discussion, the American Power Boat Association Board of Directors has decided that it is in the best financial interest of the APBA and its members to cancel the in-person Annual Meeting previously scheduled for January 27-30, 2021 in Orlando, FL.

It is the intention of the American Power Boat Association to hold a grouping of virtual meetings around the same timeframe.

More information and future meeting dates will be released as they become available.
