

13.17.1. Audio communication (radio, etc.) from shore to driver is mandatory for all boats with a reinforced cockpit (capsule boats). A spotter or spotters in audio contact with the driver(s) shall be stationed in immediate proximity to the referee or his/her designee to facilitate direct communication with the driver(s) as directed by the referee or his/her designee.

A. The referee of an event may allow any boat with a working LiteCeiver to be in another location other than the position designated for the "corral".
