The Henry “Hank” Menzies Memorial Award

Established in 1979 as an incentive to all members of the Stock Outboard Category to compete for and accumulate points in Stock Outboard racing, inspired to greater efforts in competition by the memory of the outstanding sportsmanship and accomplishments of the late Henry Menzies. This award shall forever be a National Award of the American Power Boat Association emblematic of the recognition of that member of the Stock Outboard category who, in each racing year accumulates the most points in all classes of Stock Outboard racing during the current racing year for closed course and marathon racing combined. Only members of the Stock Outboard Category in good standing shall be eligible to receive the award.

Dr. Henry “Hank” Menzies, a dentist from Colgate, Wisconsin, whose racing career earned him a place in APBA’s Hall of Champions and the Gulf Marine Hall, lost his life while competing in the 1978 Stock Outboard Nationals at Saranac Lake, NY. He was known nationwide for his dedication to the sport of Stock Outboard racing. Hank lived every minute to the fullest and inspired this enthusiasm in the hearts of those around him.

The Tammy Dawe Advocate Award

The Tammy Dawe Advocate Award – is to recognize an APBA member who has made an outstanding contribution to our sport of boat racing. This award is named in honor of Tammy Dawe who gave her life to our sport and made it better through each person she touched.

Tammy Dawe Advocate Award Criteria - This award may be presented at the APBA Annual Meeting by the Stock Outboard Racing Commission and can only be awarded once to an individual. This award will be based on the following criteria and point system. A nominee must have a minimum of forty five points before he/she will be considered for this award. At the time of Tammy's passing she had already accumulated the minimum at a very young age. Nominations can come from any past or present member. The nominations should include the nominee's history (past & present) with APBA, highlighting the following criteria.

Advocate for Stock outboard.....	15 points
<i>(Examples: Promotes racing, put drivers in equipment, builds equipment for free or at little cost, put on driver schools, etc.)</i>	
Stock Outboard Category Chairman.....	15 points
Race Official	10 points
National Officer.....	5 points
Stock Outboard Racing Commission Member	5 points
Council Member	5 points
Region Chairman.....	5 points
Region Officer.....	5 points
Club Officer.....	5 points
Honor Squadron	5 points
Has been an APBA member for over 25 years.....	5 points
Accumulated 25 or more points by earning 1 point for each year of service for any of the items listed above.....	5 points
<i>Example: been on SORC 12 years = 12 points, race official 8 years = 8 points, region officer = 6years, totaling 26 points so the individual will have more than 25 points, therefore eligible for the 5 points.</i>	

- Each year the SORC Chairman will pick a committee of three from the membership to establish the **Tammy Dawe Advocate Award** Committee. This committee will be announced like all other committees at the National Meeting for the upcoming year.
- On an annual basis, the SORC may elect one individual for the award.
- The committee will choose up to three individuals eligible for that year's award and submit them to the SORC Chairman. The three they recommend to the SORC do not have to be the top point earners; they just have to be eligible with over 45 points. The recipient will then be chosen by a majority vote of the SORC via email.
- Nominations must arrive in any manner to the SORC Chairman no later than July 1st.
- The committee will review nominations & submit to the Chairman up to three individuals that they have chosen by July 31st.
- If there are no nominations for the year, the committee may nominate an individual on their own. The committee does not have to present the award every year if there is not a suitable candidate.
