

Special Events Committee Meeting 2013

Special Event goal is to look at opportunities to promote boat racing through new and unique classes of participation. Increased membership for APBA. Safety is always a top priority.

Review of COR class. Positive growth. Rules in place through 2014.

Consideration of introducing Speed Garvey Class in region 3. David Shaw is to continue to work on details. When ready concept will be presented to ASIS for review and hopefully approve Speed Garvey for special event participation 2013.

Review of insurance risk factors and ways to be sure special events races are in compliance. Parker Enduro 300 was discussed with some problematic issues with the site. Ideas were discussed to help with compliance. It was mentioned that the issues need to be addressed at all Parker events.
