

2018-2019 Scorer's Test Questions

BOOKS NEEDED:

CURRENT SCORER'S HANDBOOK CURRENT CATEGORY RULE BOOKS

**For Stock, Mod, and Pro you will need all three rule books

CURRENT GENERAL SAFETY AND RACING RULES

Recently approved rules will be printed in the Propeller Magazine will also apply

The purpose of this test is to have scorers read the current Scorer's Handbook, Category Rule Books, including the General Racing Rules, and General Safety Rules.

This test is required to pass every even year and will be good for two years. If you are not current, you **MUST** pass the test on the odd year. All scorers **MUST** follow the time guidelines as set by the APBA rule book.

SCORERS WHO FAIL TO DO SO WILL BE REMOVED FROM THE APPROVED LIST.

To become an approved scorer you must complete and pass the scorer's handbook section and all sections for the categories you wish to score. This test is set as True or False scenarios and/or questions covering each category. There is a separate section for Stock/Mod/PRO, J, OPC, Inboard, Inboard Endurance, Offshore, Vintage, and Special Events.

If you are a chief scorer on a sanction which lists multiple categories run during the event, please remember the APBA General Racing Rules state that:

A CHIEF SCORER MUST BE APPROVED IN ALL CATEGORIES LISTED ON THE SANCTION.

If you live in Regions 1 – 6 email or mail your answers to:

Ann Marie Shaw

20414 Spangler Dr
Lincoln, DE. 19960
instpov@yahoo.com

If you live in Regions 7 – 10 email or mail your answers to:

Pat Yarno

2514 Eureka Avenue
Centralia, WA 98531
p.yarno1@comcast.net

DO NOT MAIL YOUR ANSWERS TO APBA HEADQUARTERS!!! IF YOU PRINT AND FILL OUT PLEASE WRITE LEGIBLY!!

If you include your email address on the answer sheet, your results will be emailed to you ASAP. Suggestion: make a copy of the test to keep, before mailing the test to Pat or Ann Marie. Thank you for your interest in APBA and Scoring. Please contact members of the Regatta Scoring Committee for any further help, their contact information is listed in the Scoring Handbook.

Note: We ask that, all scorers take the test as soon as it's available on-line. This reduces any problems caused by attempting to list non-approved scorers on a sanction. Note that once the test is available no one will be grandfathered in from the previous year.

2018-2019 Scorer's Test Questions

OPC

1. In races of more than 5 laps, consisting of 1 heat only, where positions and National High points are awarded, the scorer does not have to record the time for each boat every lap.
 - True
 - False

2. A driver comes to registration for an event scheduled in March 2018. His current membership card does not have CAPT and a date on it. He does have a receipt that states he completed capsule training on June 2016. This will allow him to race in the 2018 season.
 - True
 - False

3. If the race is stopped and not restarted in heats of more than 5 laps, the final results are taken from the last completed lap. If the race stoppage is caused by a driver that driver will receive a two-lap penalty.
 - True
 - False

4. During a one-day sanction it is ok to schedule a class more than one time and give National High Points.
 - True
 - False

5. Pete was having a problem controlling his boat through the turns and he hit a buoy and damaged it. He kept racing. The officials saw this, and Pete was penalized one (1) lap per OPC Rule 10, par 2. A few laps later the race was red flagged. All boats, including Pete, were brought to the dock and lined up for a restart. The boats were lined up per OPC Rule 7 par 2. Pete's one (1) lap penalty will not be assessed until the completion of the heat.
 - True
 - False

6. If there are fewer starters than required, only regular points will be awarded, and no championship will be awarded.
 - True
 - False

7. APBA National High Points go to the driver as listed on the Summary Sheet. However, if an owner is listed as well, the points go to the owner not the driver.
 - True
 - False

2018-2019 Scorer's Test Questions

8. Boat numbers must be readily visible to the officials. Failure of the number to be visible may disqualify the boat.
- True
 - False
9. Boat numbers must be black numerals on a white background that is approximately elliptical or rectangular in shape, or the reverse of the preceding is acceptable.
- True
 - False
10. Johnny was new to racing and really loves the colors red and white. He painted his boat white and had his number painted red. He could see it from very far away so he was sure the scorers could see it. He also loved the number he used on his favorite go-cart so put that as his SST 45 number even though it was not what was printed on his membership card. The scorers really liked Johnny so said it was ok for him to use what he wanted.
- True
 - False

2018-2019 Scorer's Test Questions

Offshore

1. The following are APBA Offshore National Classes: Super Cat, Cat Lite, Super Vee Lite, P-1 SuperStock, Super Vee and Extreme Limited.
 - True
 - False

2. APBA Membership fee for a riding team member is \$150 per person, but the non-riding team members only pay \$60 per person.
 - True
 - False

3. No matter who is driving the boat, the minimum age is 18.
 - True
 - False

4. At registration, all riding crew members must show proof of a current Class II FAA physical or CDL Physical.
 - True
 - False

5. Registrations and assignments of racing numbers become effective November 1 and are valid until October 31, unless rescinded or surrendered. When requested, the numbers of the previous membership year will be reassigned.
 - True
 - False

6. If you sell your boat you can allow the new owner to use your assigned number on that boat, even if you are planning to use the same number on another of your boats.
 - True
 - False

7. Racing numbers on each boat must be no more than 3 digits and numbers only.
 - True
 - False

8. Numbers must be legible for scoring purposes.
 - True
 - False

2018-2019 Scorer's Test Questions

9. Each sanctioned event must have a scorer present.
- True
 - False
10. The Event's Chief Scorer's must submit results to APBA headquarters from races within fourteen (14) days of the completion of the event.
- True
 - False
