- You will need these 2 bits of info to go back into the sanction program and complete the sanction on-line when you are ready to do so.

SANCTIONS – Entering your event information

1. The complete sanction must be entered and submitted 45 days before the event. Entering the race calendar information **DOES NOT** fulfill the 45-day deadline. Late fees will be enforced.
2. When you are ready to fill out the sanction go back to the **APBA website – www.apba.org**

4. The 5th paragraph asks you to enter your sanction # and password then click on “Login”. The Sanction program will come up.
5. You have 2 options:
 - (A) At the top you will see where you can enter the sanction number from one of your previous sanctions and click on copy. This will fill in most of the fields with the information from that previous sanction number. Then all you have to do is go thru and update any info that needs it and fill in the info that does not transfer.
 - (B) Go through and fill in your information.
6. CLUB DUES: Must be paid for current membership year for your club to be listed as active.
7. OFFICIALS: If you know their member number enter it in the box after the word Officials: That person will come up on the screen with a drop box of titles after their name. Use the drop box to pick the correct title for that person. If you don’t know their member number you can find them by last name. You have to spell their last name correctly or it won’t come up. If they have Jr., Sr., or III after their name you have to enter that as well. Everyone with that last name will come up. Look for the correct person and again use the drop down menu for their title. After you have chosen their title click on attach. Repeat until you have all your officials listed.

It will show you what field needs to be filled in (the field will be in pink). Do not go out of the program until it saves or you will lose what you have entered. If you don’t know what to fill in the required field just put a space in it and try to save again. Keep doing this until you are sure it has saved.
10. When you have successfully entered all information and it’s saved go to the bottom and you will see Approvals: [Click to send approval request\(s\)](#).
